

### SC Duplex Multimode Adaptors

#### Features

The Anderson SCDI-125 SC Duplex Singlemode Adaptor supports SC Duplex Cables. The adaptors clip straight in to Anderson Fibre Optic Enclosures for secure and organised storage of your fibres. The Zirconia Ceramic Alignment Sleeve provides for the best possible performance by avoiding chips & cracks, bending of alignment sleeves and it has greater impact resistance to ensure the lowest loss of performance.

#### Key Features

Supports SC Duplex Cables  
Zirconia Ceramic Alignment Sleeve

#### Associated Products

Anderson Enclosure  
Anderson Patch Cables  
Anderson Pigtails
