

### ST Singlemode Adaptors

#### Features

The Anderson STI-125 ST Singlemode Adaptor supports ST Cables. The adaptors clip straight in to Anderson Fibre Optic Enclosures for secure and organised storage of your fibres. The Zirconia Ceramic Alignment Sleeve provides for the best possible performance by avoiding chips & cracks, bending of alignment sleeves and it has greater impact resistance to ensure the lowest.

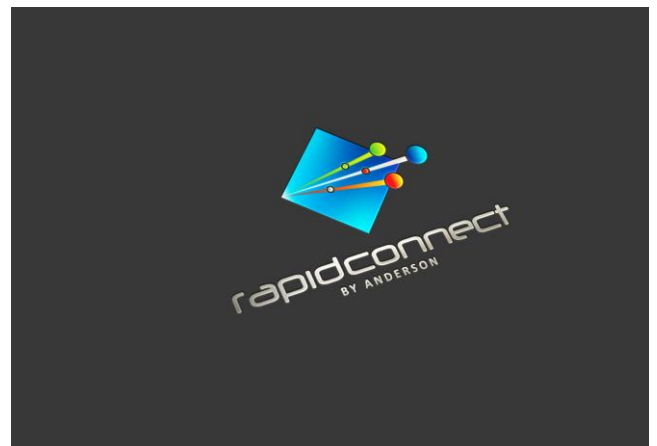

#### Key Features

Supports ST Cables  
Zirconia Ceramic Alignment Sleeve

#### Associated Products
