BUILDER'S POLE

QUEENSLAND DOMESTIC APPLICATIONS

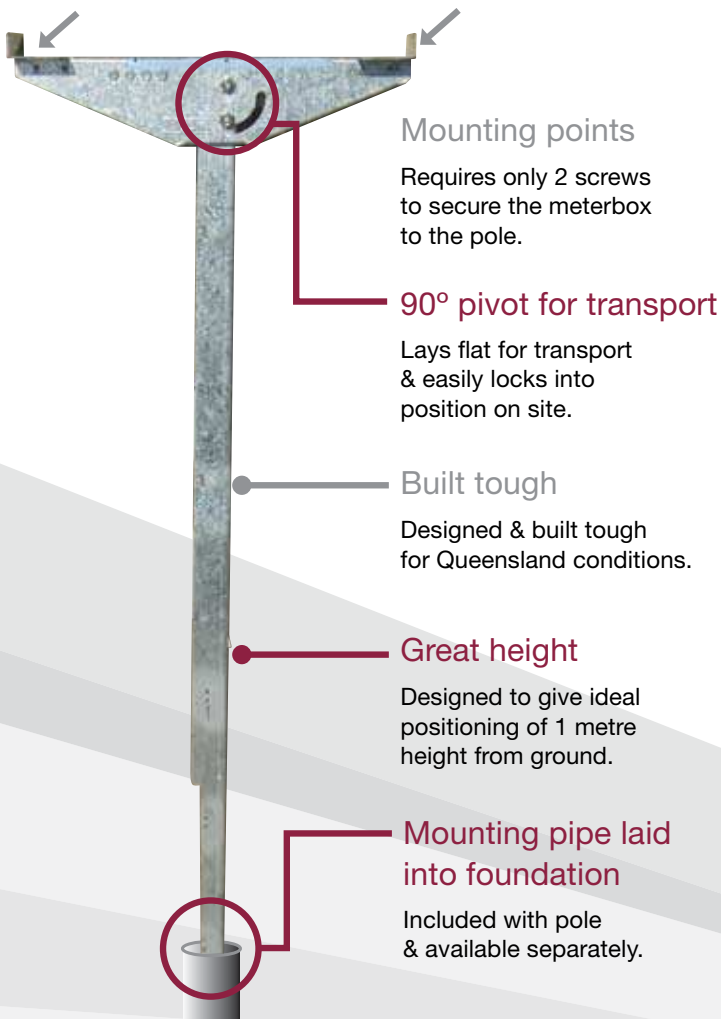

**Made in Queensland
for Queenslanders**

Stronger. Safer. Smarter.

BUILDER'S POLE

EASY AS...

- 1 install pipe into footing
- 2 assemble & insert pole
- 3 mount meterbox with 2 screws

Why **HORIZON** is the safest choice!

The new B&R Builder's Pole for Queensland allows any trades person to move the enclosure from a temporary position to its permanent position without having to open the live switchboard.

Simple to install

Easy one man install for temporary power, into footing which is out of the way, preventing damage.

Easy to recover for reuse

Save up to 30 minutes on pole install & recovery times.

Strength & Stability

Mechanically strong to survive 100km winds. Base pipe layed into footing.

No more falling over

No more make-shift stakes. When pole is in slab, ground conditions are no concern.

No sharp intruding screws

Never again!

SAVING YOU TIME & MONEY!
