

AAFFH

HIGHLY EFFICIENT CLOTH FILTERS

ACCESSORIES

Model	Catalogue No	Qty per pack
FAN12 - FIL12	TX-AAFFH12	10
FAN23 - FIL25	TX-AAFFH25	10
FAN35 - FIL35	TX-AAFFH35	10

The highly efficient cloth filters are used in environments where there is very fine dust. By using this kind of filter we can guarantee an IP55 protection level of the ventilating unit and the air flow rate is less than the nominal rate. Filtering efficiency reaches 97%.
