— 5m —   — 10m —

**LED strip lights bring flexibility in to the home, allowing you to be creative with lighting designs. Our flexible and trimmable LED strip lights are ideal for accent lighting of kitchen, office, closet, shelves, bar, restaurant and many other locations around your home.**

Each strip is weather-resistant (IP65) and can be used indoors, including wet areas, and outdoors providing the transformer is situated and/or contained away from any water source or moisture.

- 60 LED's per metre
- Cutable every 10cm or every 6 LED's
- Double-sided 3M adhesive tape for firm holding on surfaces
- Also available in Cool White and RGB

This DIY Strip Light Kit is a bright warm white "Do It Yourself" kit to customise and create your own solution:

- 5 metre or 10 metre LED Strip - Warm White
- 240VAC to 24VDC adaptor with inline switch and barrel plug
- 4 x 2-Pin straight strip joiners
- Mounting clips (10 for 5m, 20 for 10m)
- Pre-fitted with 3M™ self adhesive tape

## APPLICATIONS

- Ideal for any residential or commercial interior space
- Add accent lighting in rooms, hallways or stairs.
