

VERSALITE

PORTABLE HANDLAMP

Product Overview

Ever popular Versa Lite reliably performs in the tough environments tradies and campers encounter everyday.

Available in voltages ranging from 12VDC to 240VAC, the light is ideal for illuminating construction sites, garages, workshops, confined spaces, tents, caravans, 4WD applications and DIY jobs.

The strong clear, impact resistant outer case and impact absorbing, anti-roll 'finned' handle makes Versa Lite perfect for jobs big and small.

Versa Lite is designed and manufactured in Australia.

Features

- Strong, clear, impact resistant outer case
- Impact absorbing and anti-roll 'finned' handle
- Oil & petrol resistant
- Uses compact 11W fluorescent lamps – equivalent light output to a 75W globe
- Low maintenance – simple, no-tool lamp replacement
- Long life lamp – up to 6,000 hours
- Compact slim profile – 402mm long
- Glow in the dark lamp holder to locate light
- Removable hanging hook
- Double insulated construction
- Built-in reflector
