Cable Jointing Supplies have supplied these components to many of Australia's largest and most successful mining and commercial companies. At Cable Jointing Supplies we are very proud of our extensive list of [loyal customers!](#)

Products > High Voltage > Individual Items > Heat Shrinkable Busbar Insulating Tube

Heat Shrinkable Busbar Insulating Tube.

Medium and Heavy Wall Anti-track Heat Shrinkable Tubing specifically designed for insulating medium voltage busbar.

Main Features:

- Reduces busbar clearance requirements.
- Protects against accidental flashover.
- Anti-track.
- Halogen free.
- Tested to ANSI C37.20.2 Standards for medium voltage switchgear application to 36kV.
- Continuous operating temperature: -40°C to 125°C.
- Shrink temperature: 120°C
- Slides into place easily over bends.
- Recovered thickness: 3mm
