## Spot It Survey & Line Marking Paint

Chemtools® Spot It Survey & Line Marking Paint is a highly durable specialist paint formulated to cover with one application. Ideal for hand spot marking, it can be used to mark out areas, road repairs, pipe and cable tracing, boundaries, non-permanent white lining, gangways, exhibitions, work areas, or any other suitable applications.

### FEATURES:

- A quick drying UV resistant marking paint
- Range of bright, dense colours
- Long lasting
- Ideal for use on building sites and gardens

### PRECAUTIONS:

This product is capable of producing adverse health effects ranging from minor skin irritation to serious systemic effects. None of these materials should be used, stored, or transported until the handling precautions and recommendations as stated in the Safety Data Sheets (SDS) for this and all other products being used are understood by all persons who will work with the material.

### WARRANTY:

All products purchased from or supplied by Chemtools® are subject to terms and conditions set out in the contract. Chemtools® warrants only that its products meet the specifications designated as such herein, or in other publications. All other information supplied by Chemtools® is considered accurate, but is furnished upon the express condition. The customer shall make its own assessment to determine the products suitability for a particular purpose. Chemtools® makes no other warranty, either expressed or implied, including those regarding such other information, the data upon which the same is based, or the results to be obtained from the use thereof; that any product shall be merchantable or fit for any particular purpose; or that the use of such other information or products will not infringe any patent.
