

Scud DC with 3 and 4 blades

SCUD DC

3 & 4 BLADE DC CEILING FAN

The energy efficient three and four blade Scud DC ceiling fans provides exceptional air circulation and cooling effect within indoor and covered outdoor areas. They are made from durable ABS for a long working life and pre-balanced for smoother, low noise operation.

- High quality and energy efficient DC motor
- Available in three and four blade models
- Innovative blade geometry maximises air flow & fan efficiency
- Engineered for fast and efficient installation
- Suitable for indoor and covered outdoor areas
- Quick connect terminals simplifies wiring
- 12 speed (with remote control)
- Remote and wall controller included
- Super quiet operation
- CCT LED light kit models are dimmable using remote control included with the fan

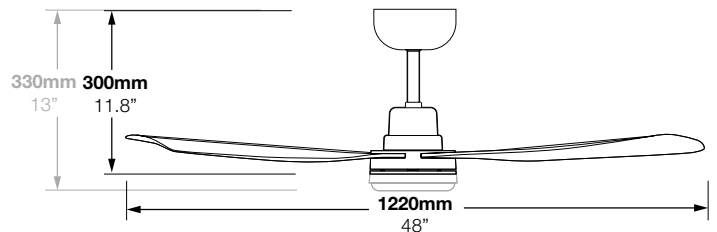

3 speed wall controller with light switch and 12 speed remote control with on/off, forward/reverse, dimming function, natural wind mode and 3 timer settings included.

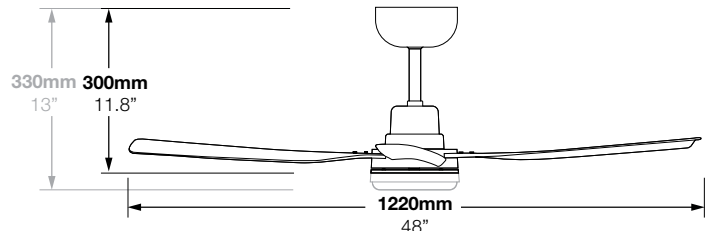

Wall controller and remote cannot be used in conjunction with each other.

DIMENSIONS

3 BLADE MODEL WITH/WITHOUT LED LIGHT

4 BLADE MODEL WITH/WITHOUT LED LIGHT

Dimensions in grey are for models with LED light.

OPTIONAL DOWNRODS

MODEL	LENGTH	COLOUR
RODDC900WH	900mm	White
RODDC1500WH	1500mm	White
