

COBRUSH CODEN

*See current catalogue for further detail

Cleaning Guide:

Spraying cleaning products directly on to electrical switches or power points (sockets) is not recommended.

It is important to ensure that switches are turned off before cleaning.

Do not use any cleaning sprays - only wipe down with damp cloth or rub with dry cloth. (Do not use an abrasive cloth as it may scratch the plastic)

Do not use harsh chemical cleaners as these can break down the plastic and cause it to crack.

Do not wash the cover plates in water over 60°C.

Cougar COBRUSH & CODEN

COBRUSH (Brush Cable Management Flush Plate)

CODEN (Brush Cable Management Recessed Plate)

- Excellent dust sealing solutions for telecommunications and data cabling applications
- They are ideal for positioning behind wall mounted television, home theatre and component systems
- The cabling remains neat and tidy with minimum visually exposed out of the wall cavity with the large openings allowing multiple cables to be accommodated at once
