

Delay off Timer

EZN002

Technical Properties	
Type of contacts	1 changeover
Rated operational AC voltage	12/230 V
Breaking capacity	AC1
Max. power with incandescent lamps	450 W
type of connection	with screw
Number of modules	1
Acceptable current rating with AC1	8 A
Connection cross-sect. flexible cable	1 / 6mm ²
Connection cross-sect. rigid cable	1,5 / 10mm ²
Dissipated energy in cable	2.28 W
	100000
European directive RoHs	not concerned
European directive WEEE	not concerned
Fixing mode	Din-Rail
Frequency	50/60 Hz
Number of contacts	1
Operating temperature	-20 to 50 °C
Storage temperature	-40 to 70 °C
Protection index IP	40
