

# METEOR

## 15/35 Watt, surface mount, specular reflector diffuser, LED downlight

METEOR is a range of surface mounted downlights with an IP54 rating allowing their use in protected outdoor applications. They come in a matte black or white powdercoated finish.

- Surface mounted downlight suitable for inaccessible ceilings
- Choice of sizes, intensities and finishes (matte white or black)
- Anodised heatsink for optimal performance
- Superior optical control with low glare

SHOPLIGHTS & HIGH OUTPUT DOWNLIGHTS

### Applications

Retail, hospitality, commercial, residential, bathrooms, architectural
