

NL140L

NHP NLINE Isolating Switch, Large IP 66 Plastic, 2 Pole 40A
250V AC

Component type	Switch disconnecter
Range	NLINE Weatherproof Isolators
Model	N/A
Product status	Existing

NHP's NLINE weatherproof isolating switches are available in three current ratings and feature a large isolator handle for easy operation. A special gasket, stainless steel cover and screws increases ingress protection. The body is made of UV-resistant polycarbonate to offer extended life in outdoor applications. All switches are tested and approved to AS/NZS3133.

ELECTRICAL

Rated operating voltage Ue	250 V
Rated permanent current Iu	40 A
Number of poles	2
M rating	M180
Rated operating voltage	250 V

CONSTRUCTION

Material housing	Plastic
Colour control element	Grey
Degree of protection (IP), front side	IP66
Version as reversing switch	No
Suitable for floor mounting	No

DIMENSIONS

Height	165 mm
Width	95 mm
Depth	91 mm
Conductor cross section solid (solid, stranded)	6-16 mm ²
