# SmartBright Lumen & Colour Select Batten

Real professionals choose **Philips SmartBright** for their everyday lighting installations.

## Trusted performance, everyday.

The SmartBright Lumen and Colour Selectable batten is now available in slim and wide varieties. SmartBright battens offer unparalleled flexibility making them suitable for any application.

Colour selectable 4000K, 5000K and 6500K. Lumen selectable from 50% to 100% output in the one handy package makes this the only batten you need. The wide base is especially desired for retro fit applications where the wide base covers the existing footprint of the batten you are replacing.

## Features and benefits

- ✓ High Efficiency, up to 110lm/W
- ✓ Now in slim and wide versions
- ✓ Greater length for more retrofit possibilities
- ✓ Long lifetime, 50,000 hrs and 5 yr warranty as standard
- ✓ Excellent replacement for T8 and older battens
- ✓ Surface mount with no brackets

## Applications

- ✓ Warehouses
- ✓ Retail
- ✓ Stairwells
- ✓ General Industrial Applications
- ✓ Residential
