

Quick Overview

Copper Top 9V Cell Size

Features

Alkaline Batteries

Industrial Alkaline Batteries (Bulk)

- Delivers up to ten times the ampere-hour capacity compared to zinc carbon batteries at high & continuous drain conditions
- Superior low temperature performance to other conventional zinc carbon batteries

Details

Part No.	DURPC1604
----------	-----------

Brand	PROCELL
-------	---------

Pack Quantity	72
---------------	----

Unit Of Measure	Each
-----------------	------

Carton Quantity	72
-----------------	----

Compendium Page #	297
