Data Sheet

Protected by Patent rights

Brand	Savitrek ®
Part #	P-C-UNI-O
Description	Pole Wrap Hi Vis Orange
Size	H – 1200mm x W – 1500mm
Colour	Flame Fluoro
Main material	High performance 600gsm Australian Made PVC, UV Treated, Anti fungicide Flame Retardant (AS2755.2) Tested. Polyester fabric in a 1000 Denier construction. Australian Standards 1530 AS 1530 Pt3-1999, Test report No 06028A Simultaneous Determination of ignitability, flame propagation, heat release, and smoke release.
Finish	Matt with Flex cracking testing (AS 1441.6): 400,000 Cycles Cold crack temp -30 C
Composition	100% High Tenacity Polyester (rated to withstand constant 55 degrees Celsius)
Tensile strength (AS2001.2.3)	Warp: 2500N Weft: 2700N
Tongue tear (AS2001.2.10)	Warp: 300N Weft: 360N
Fits pole circumference	600mm – 1400mm
Prismatic tape	50mm – 400 Circular polarized luminescence (CPL)
Eyelets	9 x 316 or 304 stainless steel or UV Stabilised Durable hard plastic. (Please choose when ordering)
Closing	Bondex 50mm Hook & Loop Lockable
Fabricated	Queensland Australia

Custom Orders available with Company Names, Logos can be added, Colours or Sizes.

THIS PRODUCT CAN BE CUSTOMISED COMPLETELY FIRE RETARDANT & TESTED TO FAR 23.853 STANDARDS

Available from **MM Electrical Mackay**

53-55 Enterprise Street Paget, Queensland, 4740. Ph: 07 4998 5100
