Lamp BA15D Incandescent 24V 5W Clear

- Engineered and manufactured in Australia, the N100 30.5mm range of heavy duty control elements are made to meet the harshest operating environments.
- Customisable and modular the N100 range includes pushbuttons, pilot lights, selector switches, estops and more, with a wide range of accessories to ensure a complete selection for your installation.
- Self-wiping contacts with a unique rolling action ensures every operation removes any dust or non-conductive film and prolongs the life of your components.

**SPECIFICATIONS**

Component Type Pushbutton and Pilot Lights	Spare Lamps
Lamp Type	Incandescent type
Un, Nominal Operational Voltage, AC	24 V AC
Un, Nominal Operational Voltage, DC	24 V DC
Operating Temperature, Max	80 °C max
Operating Temperature, Min	-30 °C min
Storage Temperature, Max	80 °C max
Storage Temperature, Min	-30 °C min
