Unistrut External Risers are available as standard with a 450mm radius.
Made to order in 300mm, 600mm and 900mm radii.

Unistrut External Risers are available as standard 90 degree.
Made to order are also available in 30, 45 and 60 degrees

At the end of the standard part number you will need to indicate the radius and the degree you require.

For example: If you require a HG External Riser with a width of 150mm (W), a radius of 600mm (R) and a degree (D) of 90deg, the part number would be as follows:

LEK131R6D90
