| ORIGIN | MADE IN AUSTRALIA |
| OUTLET BASE COLOUR | <div> <div></div> <div>MATTE WHITE</div> </div> <div> <div></div> <div>MATTE BLACK</div> </div> |

CLEANING & MAINTENANCE

This finish will slowly patina therefore maturing and ageing overtime. It is finished with a microcrystalline wax, this wax wears away over time allowing the finish to naturally patina. We recommend cleaning with a damp microfibre cloth. To slow the ageing process we recommend re-applying a microcrystalline wax every 4-6 months.
